Hey Rob,

We just received the TDD based on the previous CPW. Would you like to wait a few days on submitting an Amendment for the items you requested? We should have enough budget to get us through sorting out what else might shake out in that time. Otherwise, I can prepare an amendment and have it to you asap.

Cheers,

Ben

Hi Rob,

Please see attached revised Gold King Mine ER Cost Projection Worksheet, based on our discussion earlier this morning. Please let me know if you need further revisions.

Sincerely,
